- Bulk Email sent to a database of over 2,00,000 industry professionals
- SMS Marketing

The 8th edition of PLASTASIA-2025 will be an unparalleled platform for exhibitors to showcase their latest innovations, technologies and machineries driving the manufacturing of plastics, raw materials, and petrochemicals with participation from various corners of the globe.

Attendees will have the opportunity to witness the entire plastics industry under one roof as PLASTASIA-2025 offers an ideal platform to explore and acknowledge the most recent developments.

Moreover, the event will draw key industry players and decision-makers from both corporate and public sectors, fostering an environment conducive to forging valuable business tie-ups and contacts.

Various exclusive programmes at Plastasia 2025 are set to enrich the experience, providing attendees with valuable insights and opportunities to network and collaborate such as:

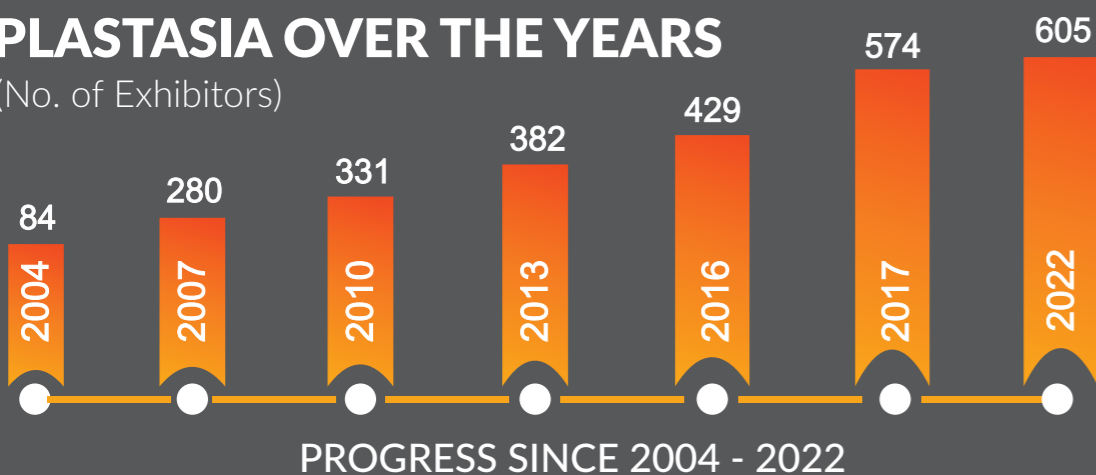

- Live Product Demonstrations**
- Recycling Pavilion**
- Product Launches**
- Business Matchmaking Sessions**

PLASTASIA-2025 is poised to be a landmark event driving the plastics industry towards greater innovation, sustainability and success.

## PLASTASIA OVER THE YEARS

(No. of Exhibitors)

**“REMARKABLE  
YEAR AFTER YEAR  
GROWTH”**

PROGRESS SINCE 2004 - 2022

## 2022 FACTS & FIGURES

## WHO WILL EXHIBIT

**Publications**  
Plastics finished products

**Auxiliary & Ancillary equipment**  
Injection & blow moulding machines  
Mould & dies  
Measuring, control & testing equipment

**Reinforcing fibers materials extruders & extrusion line machines**

**Parts & Components**  
Contract mfg / Assembly  
Rubbers, synthetic fibers, bristles, tapes

**Exhibitors Profile**

**Plastics extrusions**  
Bag & Sack making machine  
Plastic films sheets & filaments  
Services for plastics & rubber industry

**Integrated automation**  
Additives / colorants / masterbatches / Fine chemicals / petrochemicals

**Films / Thermoplastics**  
Thermoforming /

**Raw materials & chemicals**  
Consumer/durable plastic products

**Consulting**  
Government sector  
Semi-finished products

**Machinery & equipment for processing recycling**  
Technical parts & Reinforced plastics

**Clamping system screws & barrels**  
Pre & post processing machines

**Mixers/crushers /grinders**  
Pet preforms  
Paint resins, adhesives & glues  
Measuring and test equipment  
Leasing, sub-contracting

**CAD / CAM / CAE software**

## KEY HIGHLIGHTS - PLASTASIA 2025

## WHO WILL VISIT
